

Step :1

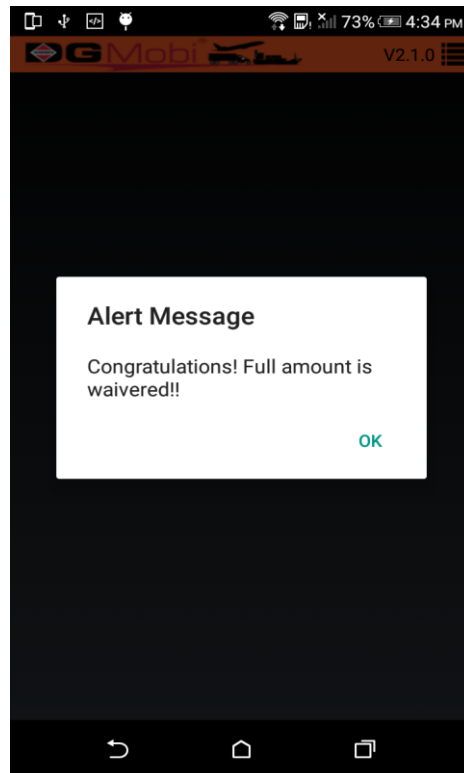

After Installing App you will get the following screen in your android mobile

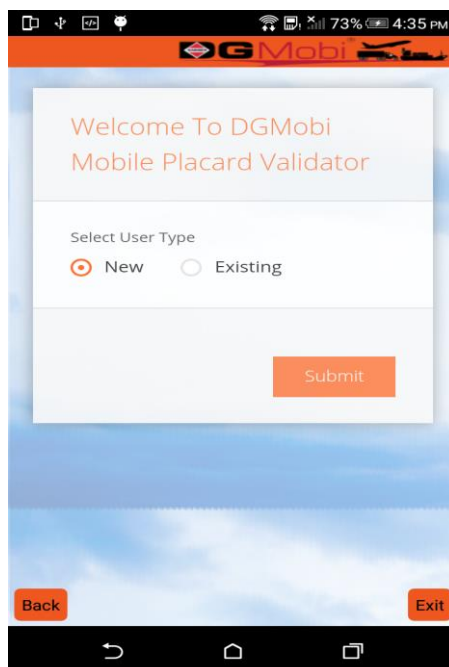

Step 2 : Here check(click on box ) “I have Coupon code” and “I Accept Terms and Conditions ” and Enter your coupon code as shown in below screen then click “Continue” button

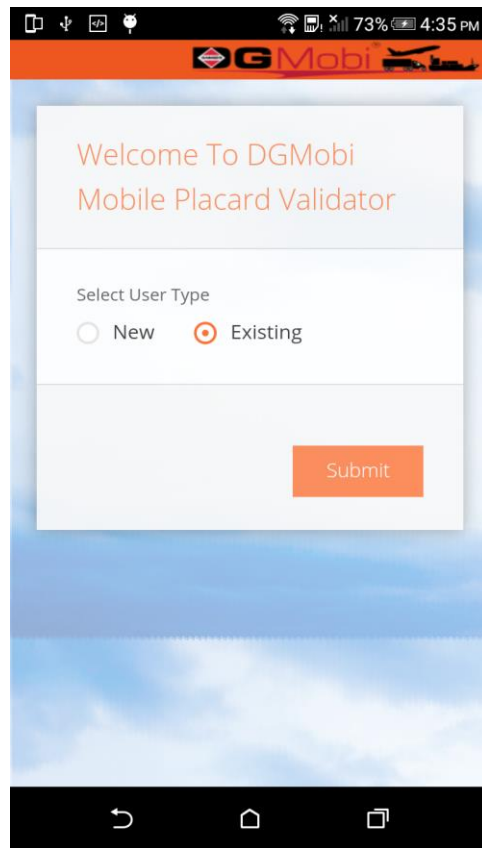

Step 3 : Click on “continue” button after entering the given Coupon code you will get the following message

Step 4 : Click on “OK” button then you will get the below attached Screen

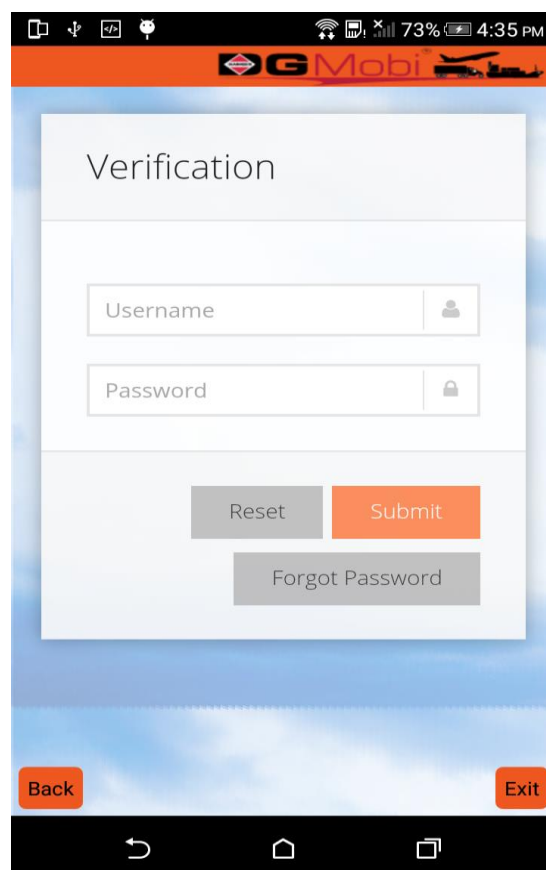

Step 5 : click on “Existing first” then you will have below screen like look and then click on “Submit” button

The screenshot shows a mobile application interface for 'DGMobi Mobile Placard Validator'. At the top, there is a status bar with icons for connectivity and battery level (73%) at 4:35 PM. Below the status bar is an orange header with the 'DGMobi' logo. The main content area has a light blue background with a white card. The card contains the text 'Welcome To DGMobi Mobile Placard Validator'. Below this, there is a section titled 'Select User Type' with two radio button options: 'New' and 'Existing'. The 'Existing' option is selected. At the bottom right of the card is an orange 'Submit' button. The bottom of the screen shows a black navigation bar with three white icons: a back arrow, a home icon, and a recent apps icon.

Step 6 : you will have the below screen after step 5. Here please enter your username and passwords in their respective fields and click submit once you click on submit

The screenshot shows the 'Verification' screen of the mobile application. It features a white card on a light blue background. The card has a title 'Verification' at the top. Below the title are two input fields: 'Username' and 'Password'. Each field has a corresponding icon on the right (a person icon for Username and a lock icon for Password). Below the input fields are three buttons: a grey 'Reset' button, an orange 'Submit' button, and a grey 'Forgot Password' button. At the bottom of the screen, there are two orange buttons: 'Back' on the left and 'Exit' on the right. The bottom navigation bar is black with three white icons: a back arrow, a home icon, and a recent apps icon.

Step 7 : After step 6 you will have the following screen Once the “rules data” is loaded. You are ready to use the app.
